Lift-A-Lift® Industrial Vehicle Service Lift

Fast, Safe and Easy Maintenance for Forklifts, Industrial Vehicles and Light Trucks

Tilt-or-Lift, Inc., the leading designed of specialty lifts since 1973, has raised the art of industrial vehicle maintenance to new heights with the *Lift-A-Lift*® service lift.

The *Lift-A-Lift*® service lift, model V-25AF10, is designed to allow complete access to the underside parts of forklifts, industrial trucks and motor vehicles for lubrication, repair or part replacement. Just drive the vehicle onto the 22 inch wide runways. The self-leveling lift raises the vehicle up to 72 inches so all maintenance can be performed while standing.

High Marks for Safety and Versatility

The *Lift-A-Lift*® service lift complies with applicable ANSI and OSHA requirements. Automatic safety pawls are incorporated in the design to prevent accidents in the event of hydraulic failure.

The *Lift-A-Lift*® service lift is portable and has removable runway panels and floor beam for easier access. Standard 22 inch wide runways and 64 inch wide entry width accommodate a wide range of vehicles. The lift has a capacity of 25,000 lbs. A wide variety of popular options are available to enhance its versatility. All lifts are shipped assembled, factory tested, and carry a full one-year warranty.

The *Lift-A-Lift*® service lift; one of the fine family of fork lift service lifts available from Tilt-or-Lift, Inc., the lift specialists. There are no finer lifts available – anywhere.

“We stand under our products.”
